Managers and Coaches

We appreciate all volunteers who manage and coach teams. Your service is critical for the league and players to be successful.

In 2018, the “Protecting Young Victims from Sexual Abuse and SafeSport Authorization Act of 2017” became Federal law. The mission of the U.S. Center for Safesport is to make the athlete well-being the centerpiece of our nation’s sports culture. All athletes deserve to participate in sports free from bullying, hazing, sexual misconduct, or any form of emotional or physical abuse. Education and awareness are the most critical components to creating safe and respectful sporting environments, free of abuse and harassment. To abide by the law and protect our kids, all volunteers must complete background checks through the USSSA background system to be eligible to manage or coach.
